This is a table documenting cost of tuition and/or required fees, room, and board at member institutions of the National Association of State Universities and Land-Grant Colleges, by state, for 1969-70. The figures given are rates for typical full-time undergraduate students for 2 semesters, 2 trimesters, or 3 quarters. 1968-69 rates are also given when they differ from those of 1969-70. For those institutions charging differing tuition and/or required fees for resident and non-resident students (of the respective state or district), 1969-70 rates for residents vary from $57 at City College of the City University of New York to $700 at Purdue University. Rates for non-resident students vary from $377 at Maryland State College to $2078 at the University of Vermont. Room rates vary from $133 at North Carolina State University to $650 at Cornell University. Board rates vary from $300 at North Carolina State University to $600 at the University of Georgia. Over 65% of the approximately 130 institutions report a tuition and/or required fees increase over 1968-69, ranging up to $300 for residents (Purdue University), and $886 for non-residents (Center System of the University of Wisconsin).
